AMEND House Bill No. 1204 by deleting all language after the enacting clause and substituting instead the following: SECTION 1. Tennessee Code Annotated, Section 67-6-103(d)(1)(A)(iii), is amended by designating the existing language as subdivision (a) and adding the following language as a new subdivision (b):

(b) If the stadium described in subdivision (d)(1)(A)(iii)(a) is placed in service after December 31, 2020, and on or before December 31, 2025, within any county with a population greater than four hundred thousand (400,000), according to the 2010 federal census or any subsequent federal census, and the projected cost of private development expected by the county to be constructed proximate to the stadium exceeds one hundred million dollars (\$100,000,000), then the following allocation of state and local tax revenue applies in lieu of the allocation otherwise provided in subdivision (d)(1)(A)(iii)(a):

(1) An amount must be apportioned and distributed to the entity that is responsible for retirement of the debt on the stadium equal to the amount of state and local sales tax revenue derived from any sale of admission to events occurring within the stadium and from all sales of food, drinks, merchandise, and parking sold from a location on the premises of the stadium in conjunction with any events occurring within the stadium, which is deemed to include sales of souvenirs and other merchandise at a team store located on the premises of the stadium regardless of whether such sales occur during an event or during other store hours; and

(2) All amounts received by the entity that is responsible for retirement of the debt on the stadium under this subdivision (d)(1)(A)(iii)(b) must be deposited into a fund entitled the "minor league baseball stadium fund," which must be used exclusively to pay debt service related to the financing or refinancing of the initial construction of the stadium and debt service related to the financing or refinancing of the initial public infrastructure for such stadium construction. Any refinancing must be only up to the outstanding principal amount, and the term of any refinancing shall not extend beyond the date of the original term. For purposes of this subdivision (d)(1)(A)(iii)(b)(2), "initial public infrastructure" means, in regard to the payment of debt service, those public infrastructure costs for stadium construction that are incurred within the first three (3) years following the effective date of this act. If the funds received by the entity that is responsible for retirement of the debt on the stadium under this subdivision (d)(1)(A)(iii)(b) in any fiscal year exceed the total of the debt service requirements for that year, the surplus funds thus accruing must either be applied to the prepayment of principal of any financing or refinancing or be retained by such entity as a reserve fund to be used exclusively for future debt service requirements pursuant to this subdivision (d)(1)(A)(iii)(b). The allocations provided under this subdivision (d)(1)(A)(iii)(b) must continue for a period of thirty (30) years from the date the first game is played in the stadium by the minor league baseball team, until such debt service is retired, until a sufficient reserve fund has been established for the retirement of such debt service, or until June 30, 2053, whichever occurs first. For purposes of administering this subdivision (d)(1)(A)(iii)(b), the entity that is responsible for retirement of the debt on the stadium shall, by July 31 of each year, report its debt amortization schedule, minor league baseball stadium fund balance, and reserve fund balance to the commissioner of revenue. Additionally, in the event that a sufficient reserve fund is established for the retirement of such debt service, the presiding officer of the governing body of the entity that is responsible for the retirement of the debt on the stadium shall certify the date of such event and provide notice to the commissioner of revenue within thirty (30) days following such event.

Senate Amendment No. 1

AMEND House Bill No. 79 by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 4-5-325, is amended by deleting the section and substituting instead the following:

(a)

(1) When a state agency issues a notice to a person, local governmental entity, board, or commission for the violation of a rule or statute and the notice results in a contested case hearing, at the conclusion of the contested case hearing, the hearing officer or administrative law judge may order the state agency to pay to the respondent the reasonable expenses incurred because of the notice, including a reasonable attorney's fee, if the hearing officer or administrative law judge determines that:

(A)

(i) The claims contained in the notice are not warranted by existing law nor by a nonfrivolous argument for the extension or modification of existing law; and

(ii) The claims contained in the notice do not have evidentiary support; or

(B) The state agency issued the notice to harass, cause unnecessary delay, or cause needless expense to the party issued the notice.

(2) Subdivision (a)(1) is not satisfied simply by a state agency failing to prevail against the respondent.

(3) If the hearing officer or administrative law judge orders the state agency to pay the respondent the reasonable expenses incurred, then the hearing officer or administrative law judge shall set forth in a written order the findings of facts and conclusions of law upon which the determinations are based.

(b) If a final decision in a contested case hearing results in a respondent seeking judicial review under § 4-5-322, then the judge conducting the review may, at the conclusion of the hearing, make the same findings and enter the same order as authorized by the hearing officer or administrative law judge pursuant to subsection (a).

(c) For purposes of this section:

(2) "Respondent" means a party to whom a state agency issues a notice.

SECTION 2. Tennessee Code Annotated, Section 63-1-144, is amended by adding the following as a new subsection:

(c)

the chancery court decision under § 4-5-323, then the court, or the board, committee, or council if the matter is remanded to the agency, upon finding that a sanction of the license or certificate holder is appropriate, may require the license or certificate holder to pay the actual and reasonable costs incurred by the division or agency for the judicial review, including costs for the time, travel, and lodging of the office of the attorney general, court reporter and transcript costs, and court costs. The order must reflect the maximum amount owed by the license or certificate holder for the judicial review.

(2) A chancery court shall not award costs pursuant to this subsection (c) unless the court determines that:

(A)

(i) The claims asserted in the petition for judicial review are not warranted by existing law nor by a nonfrivolous argument for the extension or modification of existing law; and

(ii) The claims asserted in the petition for judicial review do not have evidentiary support; or
